

Entrepreneur, speaker, author and master marketing consultant, Dr. Len Schwartz has impacted thousands of doctors, professionals and business owners in more than 20 countries.

Over the last 10+ years it is estimated that he helped generate more than 150 million dollars of new business for his clients.

During his 12 years as a practicing chiropractor, Dr. Len built one of the largest practices in Philadelphia, PA., was awarded "The Purpose Achievement Award" for "Practice Excellence", and created and developed the largest and most sought after collection of fully research-based, health and wellness lectures, waiting room videos and patient education systems in the chiropractic profession.

Dr. Len took all of his practice-building systems and marketing skills to doctors and professionals worldwide and soon began working with some of the biggest names in marketing and business-building, such as Jay Abraham, Tony Robbins, Bill Bartmann, Michael Gerber, Janet Switzer, Christine Comoford, Gary Ryan Blaire, Ron Legrand, and many more.

Chet Holmes, the New York Times best-selling author and Fortune 500 strategist, says he has never met another doctor with the same level of marketing and copywriting skills as Dr. Len.

Dr. Len is a business systems integration specialist and has "mastered" the step-by-step strategic marketing process that enables any doctor or professional to automate the growth of their practice as well as penetrate and completely dominate their market. Dr. Len's unique approach to having strategic systems, processes, and procedures "run the business" - instead of the employees - is what makes his waiting list grow. His famous lecture, "The 7 Musts of Marketing for Building A Million Dollar Practice" has been seen by more than 20,000 people worldwide!

One of Dr. Len's most sought after services is his copywriting skills for new product or service launches, direct mail/e-mail campaigns, and scripts. This marketing pro has generated millions with his unique connection-style copy.

Today, Dr. Len now owns and manages several companies. Pro 2 Pro Network is the largest professional-to-professional referral network in North America, scheduling thousands of mutually beneficial referral relationship meetings for doctors and professionals each year. His clients have their own private practice and also work for some of the biggest companies in the world including A.G. Edwards, Met Life, Smith Barney, and Merrill Lynch, just to name a few.

Automated Social Networking 3.0 facilitates an extremely unique, turn-key, everything-done-for-you, social networking and marketing service for doctors, professionals and business owners. He helps his clients completely automate their on-line social networking so they receive a steady flow of new business as a result of their massive online presence.
